

# Questions about life? Try Alpha!

*It's Christmas! 'Birth of the baby Jesus.' 'Son of God?'* What's it all about? Is it a myth or could it be something really important? 'Alpha' is a series of meetings where people can think about life - what's the point of it and what are we doing here on earth?

Interested in thinking about these things with others? then how about coming to the next Alpha series at Chalmers Ardlar Church? We're having a 'Taster Evening' on Thurs 17 Jan at 7pm where there will be a meal and the chance to hear more about Alpha before deciding if you'd like to come along to the rest of it. We will end by 8.30pm.

On the other evenings, from Thurs 24 Jan, we start with tea or coffee and a snack at 7pm. After that we watch a short film and then have the chance to discuss it in a group or to ask questions. We will be finished by 8.30pm and nobody has to speak if they don't want to! If you come once or twice and then feel it's not for you, nobody will pester you to come back.

The atmosphere in the whole Alpha Course is one of acceptance and friendship and is free of charge. **Checkout online: [alpha film series teaser on Youtube](#)**
